SKILLS

BACK END DEVELOPMENT│ Java • Python •php • Express • NodeJS
DATA SCIENCE│ python •MS •SQL DBMS •Data Visualization
AI │python • Machine learning •Analytics •Prompt Engineering
MISCELLANEOUS│ •Xampp • MongoDB •Cyber Security
FRONT END DEVELOPMENT JavaScript • Bootstrap •Tailwind • HTML • CSS
SOFT SKILLS│ Team player • Bias for action • Deliver results •Leadership
• Interpersonal Skills

EXPERIENCE

Cognifyz Internship│ **Frontend , Backend, Database(mysql)**
Web Intern | 2025, Remote
Image Gallery:
To-Do List App:

PROJECTS:

1. Zerodha Stock Market

- Developed a responsive front-end clone of the Zerodha trading platform using **React.js, HTML, CSS**, and **JavaScript**.
- Simulated core UI features such as **stock charts, portfolio, and order book** using **reusable components** and **React Router**.

2.YUKTI PERSONAL ASSISTANT

- Built **Yukti**, a voice-based personal assistant using **Python** for automating basic desktop tasks like opening apps, web search, weather, and more.
- Integrated **speech recognition**, **text-to-speech**, and **web APIs** to provide interactive, hands-free user assistance with a command-driven interface.

3.SKILL SYNC (Ongoing)

- Built **SkillSync**, a job portal web application using **MERN stack (MongoDB, Express.js, React.js, Node.js)** for seamless job search and application management.
- Implemented **user authentication**, **job posting**, and **resume application features**, with responsive UI and RESTful API integration.

4.HOSPITAL MANAGEMENT SYSTEM

- Developed a full-stack **Hospital Management System** using **Java, JSP/Servlets, HTML, CSS**, and **MySQL** for managing patients, doctors, appointments, and billing.
- Implemented modules for **admin and staff roles**, with secure login, CRUD operations, and database connectivity for efficient hospital workflows.

EDUCATION

GHS Navalihal
X/S.S.L.C
2020 | Navalihal
Percentage:94.06%

Govt. PU College Majalatti
XII/2ⁿᵈ PUC
2022 | Majalatti
Percentage:91.5%

Jain College of Engineering,Belagavi
B.E/CSE
2026/Belagavi
CGPA:9.3

ACHIVEMENTS

1.ODESSEY HACKATHON(2ND):
It was an inter-college hackathon focused on solving real-time problems in AI and Computer Science, conducted by Jain College of Engineering, Belagavi, in March 2025.

2. NATIONAL SCIENCE DAY HACKATHON(1ST) :
In the National Science Day Hackathon, conducted by Jain College of Engineering, Belagavi, where we developed as mart Hotel Management App for efficient city-wide hospitality operations, held in February 2025.

3.**IEEE Quiz Compitation(3RD)**
Participated and performed well in an Inter-Department IEEE Quiz on Cybersecurity.
